- **NO CHARGE** – If our promise is not kept

THE BEANCOUNTER DEFINED

We understand the pressures of running an accounting practice, which is why BEANCOUNTER was developed.

BEANCOUNTER is a clever solution to the daily operational issues facing your business:

- Qualified Staff Shortages
- Workflow Deadlines
- Accuracy Concerns

The faces behind BEANCOUNTER are Chartered Accountants with over 60 years experience in public practice. They have created BEANCOUNTER to process data efficiently, thereby reducing your overall costs.

BEANCOUNTER is an opportunity to save you time. By removing some of the daily headaches you'll have more freedom for adding value to your existing clients or for seeking out new ones.

THE BEANCOUNTER EXPERIENCE

The BEANCOUNTER experience never stops – we operate around the clock, 24/7. Data is processed and draft financial statements are ready for you to finalise within five business days.

BEANCOUNTER is an independent service provider who recognises the important relationship you have with your clients. You can be assured that a **BEANCOUNTER Consultant will never liaise directly with your client** and all information is managed in a secure and confidential manner.

OUR FOCUS is on benefiting your business with a speedy yet accurate service.

THE BEANCOUNTER PROMISE

Each BEANCOUNTER customer signs a Terms of Engagement which clearly outlines our commitment to you.

Because we take service, accuracy and confidentiality seriously – and we know you do too – our promise includes:

- **SPEEDY SERVICE** – Preparation of draft Financial Statements within five business days
- **COST REDUCTION** – Through efficiency
- **CLIENT PROTECTION** – No direct contact with your clients
- **NO CHARGE** – We will not charge you for the cost of processing if our Terms of Engagement have not been met
